## Membership drive launched by Chamber of Commerce

With their sights set on a higher number of members than last year, the Hondo Chamber of Commerce

launched its 1972 membership drive this week.

Brunt of the drive will be done through letters mailed

to members and non-members soliciting their participation in this organization that performs an extraordinary

job for the town. And as the letter says: "It is believed that all civic minded citizens of Hondo will re-

spond to this appeal for the best interest of all."

The meaty portion of the letter gives an excellent appeal. It reads:

"Every businessman or woman as well as every wage earner, who is interested in promoting Hondo, should belong to the Chamber of Commerce. The Chamber of Commerce is a voluntary organization of citizens of a community, working together for its betterment. It is constantly striving to promote the City of Hondo, its citizens and organizations and is the source of information for daily inquiries of all kinds from all parts of the nation.

"Travel information to all states in the nation is available in the office. A real service is rendered by the Chamber to local business, ranchers and hunters through the hunting lease service which attracts statewide attention.

"All of this requires financial support, and this support must come voluntarily from business people, farmers, ranchers and interested citizens.

"We welcome all memberships and invite all past members to renew their interest in our community. Anything that helps Hondo must naturally help everyone who lives here."

Annual membership dues are (minimum) \$18 for an individual and \$48 for a business. "Of course," the letter continues, "everyone can contribute any amount above that. Many members pay more. By your support, you indicate the value you place in your Chamber of Commerce and it can do only what your support permits it to do."

Some other projects the Chamber undertakes during the year are the annual Banquet, Appreciation Day for teachers, Wild Game Dinner, Santa Claus, Christmas lighting in cooperation with the Hondo Garden Club, employment clearing office, aiding Museum Day and numerous other smaller projects.

## Camp Fire Girls seeking revenue

Many persons in Medina County this week will receive a letter in the mail from Camp Fire Girls.

"Don't throw it away," urge all the young girls who are benefited from this program supervised by the Medina County Council of Camp Fire Girls, Inc.

The letter, signed by N. E. "Bud" Woolls, President, reads in part:

"Many of you are due our sincere thanks for your labors and contributions this year to the Camp Fire Girl program. You are what makes Camp Fire grow.

"Camp Fire Girls of Medina County and other nearby areas are much richer from the program we offer and from the experience of attending Camp Mary Louise this summer.

"Our basic facilities at Camp Mary Louise are adequate with some renovation needed; and we plan no new buildings at this time. At present we can accommodate 60 campers at a session, along with three directors, a

registered nurse and 18 counselors.

"With renovation and continued maintenance, we can hope to open the camp for more sessions in the summers to come. We also can offer camping programs to reach more Camp Fire Girls during all seasons of the year; and we can offer more leader training programs.

"This year we hope to increase our leadership and our number of local Camp Fire Girls by 10 percent or more, and we look to a future time when every girl in Medina County will have the opportunity to be a Camp Fire Girl.

"We call on you again for help in involving more girls in our program and in maintaining the camp to give an enriching and rewarding experience of camping to all girls who desire it.

"Please send your tax deductible contributions to: Medina County Camp Fire Girls, Inc., P.O. Drawer 340 (Hondo National Bank), Hondo, Texas 78861."

## Hospital makes excellent 'recovery'

Figures in the latest audit show that Medina Memorial Hospital made a "great comeback" this year as compared to fiscal year 1970 when operating costs were without the aid of the Medicare program.

The loss through 1971 amounted to only \$4,805 as compared to \$31,482 in 1970. This loss figure also includes provisions for doubtful accounts of \$2,500 in 1971 and \$11,000 in 1970. Had these debts been paid the hospital would be in the black \$8,695.

Total hospital equity as shown by audits for the two years show \$425,358 in 1971 as compared to \$430,163 in 1970.

Operating income for 1971 stood at \$215,926 as compared to \$176,640 in 1970. Total operating costs showed \$222,962 in 1971 and \$210,780. This gave an operating loss of \$7,336 in 1971 and \$34,140 in 1970.

But non-operating income, including contributions of \$79 (up from \$21), restricted investment income of \$2,550 (down from \$2,787) minus miscellaneous of \$98 (down from \$150) gives a total of \$2,531 (down from \$2,658) to deduct from the operating loss, thus giving an actual loss of only \$4,805.

Medicare payments due the hospital total \$26,413, broken down to read \$16,132 for 1971 and \$10,281 for 1970. These amounts

are subject to final review and determination by the Social Security Administration.

## Awards banquet planned by 4-H

The Annual Medina County 4-H Awards Banquet will be held Monday, October 11, 1971, at the McDowell School in Hondo with 65 4-H members to be honored at the banquet which begins at 7 p.m.

Highlight of the evening will be the announcement of the Medina County Gold Star Boy and Girl, the highest honor a 4-H member can receive on a county level.

County Judge Jerome Decker will present the awards to the 4-H members.

Vince Gilliam, Chairman of the Medina County 4-H Council, will serve as Master of Ceremonies, and Jimmy Mammie will give the welcome and Lynda Howard will introduce guests.

The North Hondo 4-H Club will provide entertainment for the group.

Others on the program include Donna Boehme, who will recognize adult leaders; Shirley Wurrbach, who will give the thank you; Robin

Saathoff, who will give the closing.

Bobby Mammie of Hondo will present a program on activities of the State 4-H Council.

## Sales tax shows increase

Local residents received a return on their sales tax bite last week when a \$14,411.87 check arrived from the State Comptroller.

This check, representing the sales tax for the second quarter of the year, April, May and June, means that Hondo merchants enjoyed more than \$1,441,187 taxable sales during those three months. Since the State keeps about two percent for bookkeeping that means tax-

NEW CROSS DEDICATED  
... and it reaches upward

## New cross stands atop Mont Gentilz

Had the sunset cast shadows over Castroville Sunday evening the largest shadow of all would have come

from a 13 feet tall concrete cross atop Cross Hill. The white, concrete cross, weighing one ton and reach-

ing seven feet across, was dedicated in ceremonies shortly before sunset Sunday.

Overlooking the Alsatian community settled in 1844 by empresario Henry Castro, the new cross replaces an old wooden cross which had stood on the hill since about 1928. The first wooden cross was erected around 1870 and was replaced in 1902 and again in 1928.

Present for Sunday's ceremonies was John Mehlner, 85, who also saw the 1902 cross erected. Mehlner, with a cane in each hand, walked without assistance to the top of the hill, stood in the same spot where he stood 69 years ago and recalled the scene on that day. He told of the priest driving up in a buggy and men lifting off the heavy cross.

Leon Tschirhart served as the cross restoration committee. Others participating included: Rev. R. C. Timaeus, pastor of the Zion Lutheran Church; Rev. Lawrence Steubben, pastor of the St. Louis Catholic Church; Rev. Victor Schmidtsky, pastor of the Holy Cross Church in D'Hanis; Miss Ruth Lawler, Castroville historian; and youth choirs from St. Louis and Zion churches.

Other committee members introduced were Mike Perales, Mrs. Robert Eckert, Mrs. Fred Childs, Mrs. Harold W. Meyer, Frank Ducos and Mrs. Gene Suchs.

The hill southwest of Castroville was named Mont Gentilz in honor of Theodore Gentilz, member of the original colony and artist, who founded the town of D'Hanis.

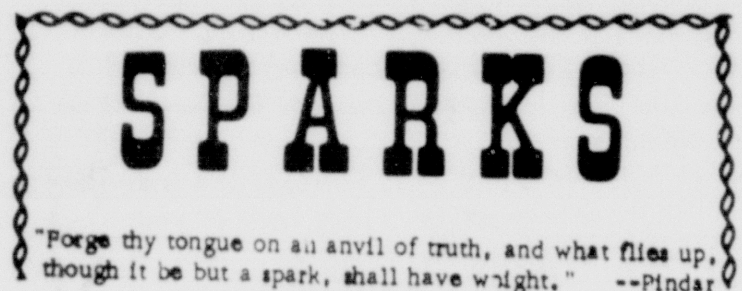

## Chamber ballots mailed

Ballots are out for Chamber of Commerce members to vote on four new directors.

Directors whose terms will expire this year include: Rene Aelvoet, Thomas Hollmig, Parker Meyer, Robert McGarity.

Members have 12 nominees from which to select four and Manager Harry Filleman has urged that ballots be mailed to the Chamber office by October 22.

Nominees include: Miss Anne Davis, attorney; Henry Martin Finger, Hondo National Bank; Kenneth Flory, \*\*\* Please turn to Page 2

### HONDO NEEDS YOU

The drive to obtain memberships in the Hondo Chamber of Commerce is underway and this means each and every businessman or woman will have an opportunity to join in working for the city or turn thumbs down on its future.

This past year the Chamber membership totaled 172. That is a decrease from last year. This number includes business and individuals, and it is a pitifully small number for a City that is filled with so many people who, at the drop of a hat, will loudly proclaim it to be a "fine city to live in."

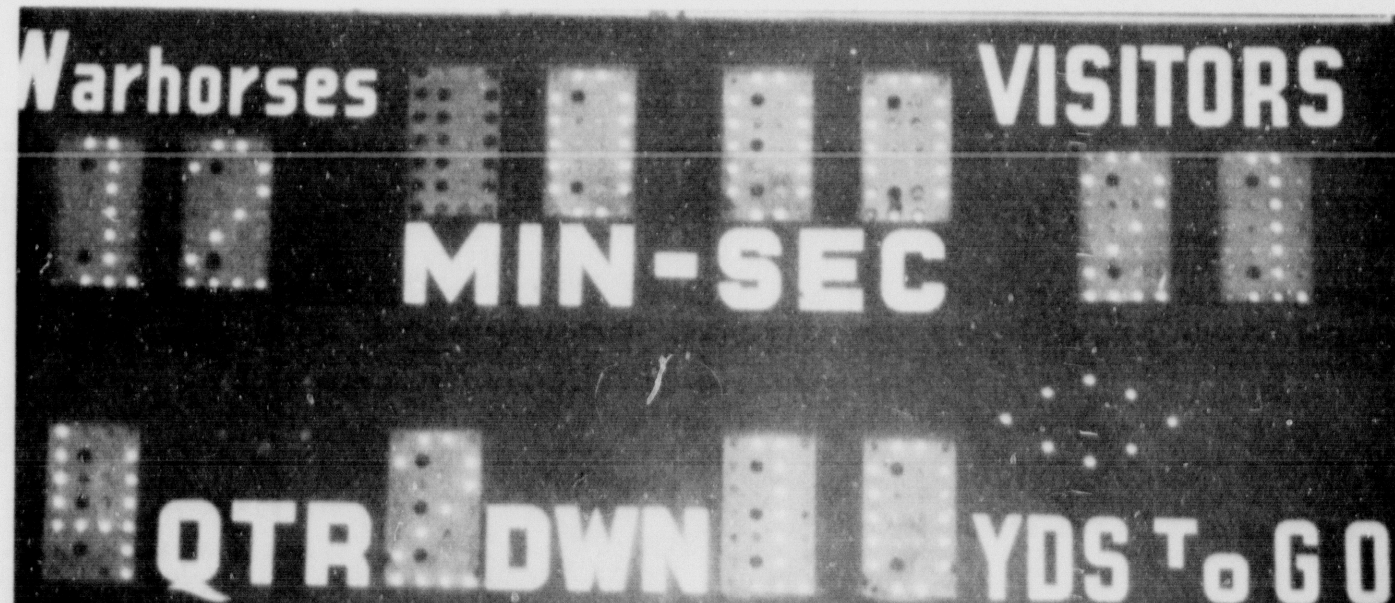

But apparently what they mean is: Hondo is a fine city "to live in", but not worth the effort of supporting when it comes to belonging to the Chamber of Commerce. Not only with money, but also with effort, with ideas, with time, with earnest desire to help the town.

Some ask, "What has the Chamber done this year?" My question to them is, "What have you done to see that the Chamber accomplished something?"

It seems that those who benefit the most from Chamber efforts are the most reluctant to part with money and time to help the organization. For instance: Last year Medina County landowners leased more than 700,000 acres for hunting at approximately \$1.00 per acre. Many of those leases were arranged through the Hondo Chamber of Commerce. Harry Filleman has a stack of letters that chokes a folder, all requesting leases. He mails each one information on available leases. And his efforts have proved quite successful in helping Medina County reap a hunting harvest of more than \$2,000,000 annually.

But how many of these landowners who benefit from these efforts belong to the Chamber. You can name them on your fingers and not have to go around more than once.

Then take the other side, if you think I am too harsh on this segment. How about the business people who benefit from the hunters being here? Remember out of that total of \$2,000,000 only about \$700,000 goes into the pocket of the landowners. The \*\*\*\* Please Turn To Page 2

## 4-H Helps youngsters

By Glenn Bragg  
Medina County Agricultural Agent

This is National 4-H Club Week (October 3-9) and Medina County 4-H Boys and Girls are promoting their Organization. Posters have been placed in businesses, schools, and public areas following a county wide poster contest last week. This year's theme for Nationwide observance is "4-H Bridges The Gap".

Our 4-H'ers are learning to bridge many gaps as they strive to make a better world for tomorrow, says Glenn Bragg, County Agricultural Agent. Through cooperation, courage and dedication 4-H'ers become stronger, more conscientious citizens.

Four-H youngsters have an oppor-

tunity to develop their skills through real life experiences with projects. The program has something to offer all youth between the ages of 9 and 19.

Some areas in which 4-H'ers are now active learning to bridge the gaps are nutrition, health, dog care and training, horse, beef, swine, leadership, clothing, careers and many others.

In Medina County 4-H enrollment has risen from 322 to 365 members in the past two years. Some 65 adult leaders work with 4-H members in 9 4-H Clubs in the county.

Anyone interested in 4-H can find out more by contacting one of the County Extension Agents located on the 2nd floor of the Old Jail Building in Hondo.

remainder, and \$1,300,000 is a pretty good sized remainder, rings the cash registers around town and the immediate area.

Yet, go down the list of the Chamber of Commerce members and you will quickly see that among the absentees are many who benefit from this one effort alone to say nothing of the other benefits they receive from the Chamber.

This past year the Chamber of Commerce has sponsored a series of radio spots urging area citizens to shop in Hondo. This was done as an assist to the Retail Merchants Committee. And would you believe that some of those who approved this effort are not members of the Chamber of Commerce?

Let's not leave out the individuals. For only \$18 per year an individual can belong to the Chamber and "help out". Why? Simply because every effort the Chamber makes helps improve the town and in doing so helps improve the lot of the individual.

Each person that holds down any kind of a job will not have that job if business falls off and payrolls are cut. If Hondo should shrivel up on the vine like many, many small towns throughout Texas and the nation there would be a great exodus of families. This means they would take the children who fill the schools and therefore many of the teachers would have to find greener pastures.

The Hondo Chamber of Commerce is one organization that can work toward preventing such a happening. But it needs more money than the approximately \$7,000 it has this year and the organization itself is not worth two cents if the people of the town are not interested in belonging; if the people are not interested in working toward creating projects that will help improve the city; if the people are not willing to contribute the money necessary to give the Chamber latitude to operate like a Chamber should.

So, Mr. and Mrs. Business and Individual, won't you take a long look at your efforts in helping the Chamber. And if in the past you have fallen short then make up for it this year.

Join the Hondo Chamber of Commerce.

## PRE-GAME ENTERTAINMENT

Sitting on the top row of the Devine stadium last Friday night Patricia and I were privileged along with many others to witness some hilarious pre-game entertainment.

Everyone knows how thickly the cars were parked along the street behind the stadium. Well, in all that line of cars there was one empty spot. And was it enticing to the late-comers. You could almost hear them saying, "How lucky can I be?"

But there was one catch. That spot had one of the deepest chug holes in the county right where the front wheel would drop in.

And they did. In fact we counted seven cars that backed or headed in there only to have one side go almost out of sight.

They pulled a pickup out with a chain; they lifted several front ends so that the owner could get out; and they pushed some. Two or three persons were just about to back in but heeded the yells from the stands. Finally a little Volkswagen slipped in and went almost out of sight. But they lifted it over where the wheel missed the hole and the parking spot was filled.

The hilarity of the situation certainly relieved the pre-game tension brought on by anxiety over the outcome of the game. But once the game started the Owls took over and did a good job of erasing that anxiety.

## Letters from the mailbox

He told this writer that very evening that he had expected to find "Raza Unida" written on the walls, "people doing all sorts of terrible things," "teachers dressed inappropriately," etc. . . . He also told this writer that she was overwrought over a situation about which she obviously had no knowledge, not having "been up there" as he had. This latter statement obviously needs no comment from me.

October 1, 1971

Dear Sir:  
I write this letter to you and your readers as a citizen who is very concerned about the representation we of the 49th District are getting in Austin.

According to the oath of office for members of the Legislature, as set out in the Constitution of the State of Texas, such members will faithfully and impartially discharge and perform all the duties incumbent upon them.

I am concerned with what the duties of state representative are. Is it his duty to concern himself with the problems of all of the people of his district or just certain groups of his constituents? Is it his duty to concern himself with the source and disposition of federal, state and/or private funds channeled to any portion of his district? Is it his duty to concern himself with the conditions of the classrooms in his district?

Apparently Mr. John Poerner, our duly-elected State Representative, has belatedly decided that it is his duty to concern himself with the conditions of the public schools in the Crystal City Independent School District. Now, how "faithfully and impartially" did he so concern himself? On Thursday, September 23, 1971, he made what he termed "a surprise visit" to said school district, accompanied by an assistant to Commissioner of Education Edgar and "an armed guard", the latter being a member of the Texas Highway Patrol. He made what he determined to be a thorough and complete search of the premises, "even looking into the cloakrooms". He found nothing, absolutely nothing, out of line.

able sales went above this figure.

The 1971 second quarter check showed an increase over both the same checks in 1970 and 1969. The 1969 check was \$10,684.20 and the 1970 check jumped to \$13,283.58.

This marked the eleventh sales tax check received by Hondo since residents voted in the sales tax in April 1968. All eleven checks have given the City of Hondo a total of \$137,964.27.

April, May and June proved to be the most productive in the last three years, with the three quarters totaling \$38,379.45.

October, November and December was next with a total of \$37,842.15.

January, February and March seemed to be the time when people spend less, as the checks totaled \$33,417.96.

There has been only two checks in the July, August and September quarters and these, 1969 and 1970, have totaled \$27,725.71. Which means that if the 1971 check for that quarter reaches the total of the last two (\$13,644.11 in 1969 and \$14,081.60 in 1970), then this will be the most productive quarter.

# Nelva Bohmfalk is bride of Eddie Lee Lakey

Miss Nelva Elaine Bohmfalk became the bride of Eddie Lee Lakey in Wesley United Methodist Church, Corpus Christi, with Rev. Bill Palmer officiating. The ceremony was performed Saturday evening, Oct. 2, 1971.

Parents of the newlyweds are Mr. and Mrs. Clifford L. Bohmfalk of Corpus Christi and Mr. and Mrs. E. L. Lakey of Houston.

Given in marriage by her father, the bride wore a gown of peau de soie featuring an empire waist and high neckline. Lace appliques and seed pearls accented the bodice, sleeves and train. A headpiece of lace petals and seed pearls held her veil of illusion. She carried a bouquet of white carnations with a large gold-throated white orchid in the center.

Maid of honor was Laurelle Fasel of Corpus Christi.

Bridesmaid was Eloise Bohmfalk, sister of the bride, also of Corpus Christi, and junior bridesmaid was Patti Cross, cousin of the bride of Corpus.

The bridesmaids wore gold peau de soie floor-length

gowns with an empire waist and thin bell-sleeves. They carried nosegays of fall flowers.

Serving his brother as best man was Benjamin Davis of Houston. Jimmy Lakey, also of Houston, served his brother as groomsman. Junior groomsman was David Bohmfalk, brother of the bride. Ushers were Ronald Bohmfalk, cousin of the bride of Hondo, and Paul Joslin of Houston.

Fall arrangements of gold and bronze mums and gladioli were used in the church decorations. Mrs. Charlie Allison played organ selections of "More", theme song from "Romeo and Juliet" and "I Love You Truly". A reception was held at Wesley United Methodist Church.

Members of the house party included Mmes. Paul Joslin, David Lutz, Peggy Cross and Miss Debbie Beard.

The young couple is now making their home in Houston where the bridegroom is employed with United Gas. He is a graduate of Reagan High School, Houston, and the bride is a graduate of Flo-

Mrs. Eddie Lee Lakey

ur Bluff High School and Del Mar Jr. College, Corpus Christi.

Grandparents of the bride are Mr. and Mrs. Theo Cagle of Hondo and Mr. and Mrs. Emil Bohmfalk of Yancey.

Out-of-town guests attended from Houston, Bryan, Hondo, Yancey, D'Hanis, Odem,

and New Chaney.

Attending from Hondo included Mr. and Mrs. Theo Cagle, Miss Debbie Beard, Mrs. Ray Jones, Dorothy, Paula and George and Mr. and Mrs. R. E. Bohmfalk and Ronald; Mr. and Mrs. David Lutz and Barbara, D'Hanis; and Mr. and Mrs. Emil Bohmfalk, Yancey.

# Spanish service added to schedule

The Hondo Church of Christ will add a service in Spanish to its Sunday morning schedule. The service will begin at 9:30 a.m. each Sunday at the building of the Church of Christ at 2302 Avenue M.

Songs, prayers, offering, communion and sermon will be conducted in Spanish. Preaching will be done by Dr. Floyd Hill. Sunday School classes in English for children will be taught at the same time in the educational building.

The Church of Christ had services in Spanish for several years before beginning a bilingual service approximately two years ago. The resumption of services completely in Spanish is an attempt to service religiously

more of the citizens of Hondo and vicinity.

The public is invited to attend and participate in these Spanish services as well as the English services at 10:30 and 6:30.

# Fellowship group presents program

The Youth Fellowship of the Community Presbyterian Church of Natalia gave a short devotional program on Sunday night, Sept. 26, followed by a weiner roast and games. There were ten young people and six adults present.

Youth Fellowship meets every fourth Sunday night at 6:30 p.m. Come and join.

Next meeting will be on Sunday, Oct. 24.

Mrs. FRANK (Sis) GRAFF and Mrs. C O L B Y JOE (Cappi) HEYEN were among the local riders who joined the Medina County Trail Riders for a 2-day ride last weekend.

This group of good people raised about \$2000 for the benefit of the Medina County Workshop for Exceptional Children, an annual benefit by the Trail Riders. This community owes appreciative thanks to the entire organization and to each individual participant for their "mindfulness of the needs of others".

HOUSTON EGGEN, now retired from the HH faculty, says so many people ask him "What are you doing out of school?" that he almost feels there might be a truant officer in hot pursuit!

Answering the Museum's appeal (this column Sept. 9) for school books for the early days collection, Mrs. ALMA SASSER contributed two Montith's Geographies which are real treasures. Both had belonged to Michel Schreiber of D'Hanis.

One, published in 1866, is titled "Geography Physical & Intermediate, in two parts, taught as a Science, Local & Civil". It needs rebinding but it contains information still useful. Who can define a simoon? (I had to ask the dictionary!)

The other, published 1872, is "Manual of Geography, combined with History & Astronomy".

A question in the latter category asked, "With what velocity does the Earth move round the Sun?" to which some previous owner of the book had written in pencil, "Oh, Bee's Wax!" -- probably the forerunner of the later, "Aw, nuts!"

MARK (4) and JEFFREY (2), sons of PHELIX and EMILY COWAN, are shining examples of what the well-dressed very young man should wear.

They were courteously escorting their mother as she grocery-shopped while Daddy was guiding the destinies of D'HANIS Jr. and his students as future artists, maybe.

If you have been kicked or bruised, suffer from sores or sprains, or are just plain downright feeling poorly, the MUSEUM has in stock (for smelling, at least) a previously-used bottle of Silver Pine Healing Oil Preparation -- age unknown, but it appears to have been around quite a while. The label reads "Guaranteed as an aid to Nature in purifying, healing and soothing and relieving many ailments."

Proceed at your own risk?

It had been several years since I had seen Mrs. L. O. CARTER of Sabinal but we renewed our acquaintance when we met in Hondo last week.

Mrs. Carter was with her good friend and "special chauffeur", Miss LOURALENE SHELTON, also of Sabinal, who always accompanies her when she "goes places".

The L. O. CARTERS are the grandparents of the children of Undine Charlton Bales, who served for some years as editor of the Sabinal Times.

At least two Medina Countians are putting their talents to use as commercial artists and making good in this field.

FRANK, No. 1 son of the F. J. DALLAL S. Castroville, signs the color covers for the magazine section of the SA Express.

CLAIBORNE, only son of JOHN HENRY and LORENE BOEHLE of Hondo, is responsible for grocery advertising as part of his line of duty. Oh, yes, he is also the father of the twin granddaughters of the Boehles and the JAMES & PAT GRUNEWALDS.

\*\*\*

JASON CONRAD, 13-months old son of GARY and BECKY HOLZHAUS of Castroville might be well on his way to joining the diplomatic corps.

I observed him as he sat with his parents and grandparents, Mr. and Mrs. GEORGE HOLZHAUS, while the family enjoyed supper at SAMMY's one evening. Jason had a smile and a wave for everyone, even for his Daddy who goes around collecting taxes!

That's filial devotion for you!

# Garden Club to host convention

The Hondo Garden Club will be host to District VII of the Texas Garden Clubs, Inc. when the District holds its fall meeting on Nov. 2-3. This is the first time that the local club has undertaken a

convention and local club members have been at work all summer on plans to assure a successful meeting.

Convention chairman is Mrs. Bruno Schweers, who is

also corresponding secretary for the district. Co-chairman is Mrs. Mark Marshall, president of the Hondo Garden Club. The local club is hosting the convention as a courtesy to one of its members, Mrs. Hilmer Haegelin, who is director of the district.

District VII encompasses 27 counties and includes the cities of Corpus Christi, Alice, Uvalde, Kerrville, New Braunfels, Seguin and San Antonio. Some 250 delegates are expected from the 94 clubs represented.

Planned activities for the two-day meeting will include a tour of the Hill Country with a visit to Collins of Texas at Medina; registration and board meeting at Hondo's Municipal Building; Board dinner at the Baptist Fellowship Hall; general assembly at the American Legion Hall; luncheon at the Methodist Educational Building; and a program on flower arranging by a nationally-known arranger, Mrs. Charles Griggs of Sweetwater.

In addition, a "Country Store" will be featured where articles made by local club members will be sold.

Visiting officers, chairmen, and delegates will be housed in Hondo's new motel.

Members of the Hondo Garden Club are most enthusiastic about the forthcoming convention and welcome it as an opportunity to show off their city to the visitors from throughout the district.

# NEXT GARDEN CLUB MEETING DATE

The Hondo Garden Club will meet Friday, Oct. 8, at 2 p.m. at the Municipal Building.

Principal speaker will be Rev. George Steubben of St. Johns Catholic Church. His subject will be "Create Exotic Beauty With Orchids".

Hostesses for the occasion will be Mrs. Ray Jennings, Mrs. J. R. Duncan, Mrs. L. E. Dugger and Mrs. O. A. Fly.

### Special Sale slated Oct. 21

The next Special Stocker-Feeder Show and Sale will be held at Union Stock Yards, San Antonio, Thursday, Oct. 21. Hereford, Angus and Brahman-cross cattle will be judged for awards in lots of 10, 20 and 40.

The purpose of this Special Sale is to provide a better market for quality Stocker-feeder cattle. It will give producers an opportunity to display and sell their calves in uniform lots, shaped up, and at a time and place where number will enable the many buyers to get their requirements. This sale also will provide an opportunity for buyers to fill their needs for quality cattle.

Special Sale judging will begin at 7:30 a. m., the regular auction at 9 a. m., and the prize winning cattle will be sold at 11 a. m. This Special Stocker-feeder Show and Sale is open to the public and everyone is invited to participate in this special auction sale.

## FFA boys attend Career Day at A&M

Thirty-three Hondo vocational agriculture students attended Career Day at Texas A&M University Saturday, Oct. 2.

Plant science, engineering, and agricultural colleges of the A&M University system conducted this fall Career Day for students who were interested in learning more about these fields of study. Each division had displays and information folders by their booth in the Dewart Field House on the campus.

The Hondo group had a conducted tour through the Cyclotron Building where the guides explained how the plant operated on research work in a number of fields.

The plant where this research work is done cost over \$7-1/2 million dollars. The annual operating cost of the research center is more than \$1 million dollars. There are only 20 such research centers of this type in the US and this is the only one in Texas.

While the group was on the campus they saw Wilson, former Hondo High School chemistry teacher, who is now teaching plant pathology at A&M while working on his Doctor's Degree. He took the boys through the plant science lab where he is working with graduate students on special research projects for plant diseases.

The group stayed for 3/4 of the A&M-University of Cincinnati football game. They arrived back in Hondo about 1:30 a. m. Sunday.

Attending were Wayne Stein, Henry Flory, Lane Graham, Aginaldo Aguilar, John Perez, Larry McWilliams, Gene McAnelly, Gordy Bohmfalk, Ted Mendoza, Louis Schmidt, Mike Nester, Karl Heilig, Kirk Decker, Andy Aelvoet, Gregg Saathoff, Steve Hannemann, Armando Trausta, Corona and Santos Lopez.

Also, Doyle Wiemers, Jimmy Jordan, Duane McCartney, Corky Young, Pat Stein, Mike Groff, George Aelvoet, Wayne Westbrook, Tommy Johnson, Jack Martin, Bobby Tschirhart, Kurt Weber and Jeff Eckhart and Gregg Saathoff.

The group was accompanied to A&M by John McAnelly, vocational agriculture teacher, STUDENT TEACHERS

Two student teachers from Texas A&M University will arrive in Hondo Oct. 11 to do their practice teaching in vocational agriculture. They are Gerald Ferris of Kleen, Texas and Juan Badhila of the Dominican Republic.

## Parents Stamp Out Drug Abuse With Facts

By Jerry Williamson  
Chief Of Police  
City of Hondo

### Today's Subject: Why Kids Are Hard to Convince

This is the second series of articles on drug abuse run in this paper authored by . It is our hope that, coming from a local authority, the information given in these columns will be of great benefit in awakening parents to the drug misuse problem and suggesting measures each parent can take to prevent his child from becoming a drug statistic. National experts on the subject of drug abuse agree that knowledge, TRUE FACTS, must be the objective of all parents if the war against drugs is to be waged effectively and ultimately won.

Probably the first fact we must all face as adults, in these trying times of rising drug-abuse, is that the situation on drugs as it now stands is no doubt the greatest example of "double standards" our society has ever known. Society, as a whole, is having a very difficult time combating the illicit drug problem because it is reluctant to face up to the hypocrisy of its own practices! There are two divisions of popular drugs - the socially acceptable and the socially condemned. Is there a difference? In many cases there is not!

What drug causes more deaths, more property damage, breaks up more families and costs society the most? The "winner," without a doubt, is alcohol! But, alcohol is not alone. We live in a drug-rooted society in which almost everyone is a drug user of one kind or another. Many of us must have nicotine in tobacco to relax... the caffeine in coffee, tea or cola to give ourselves a boost, sleeping pills to get us to sleep and pep pills to keep us awake or assist us in the battle of the bulge. And, of course, alcohol is a MUST for many of us, so that we may have a "good time" or relax after a rough day at our jobs. Most of us do not stop to realize that these are drugs just as surely as the illegal drugs. The only difference is that these are socially acceptable!

Adults find it hard to believe that young people would experiment with dangerous drugs... while we destroy our lungs with cigarettes, kill tens of thousands every year with drunken driving, destroy our livers with alcohol, become addicted to coffee, sleeping pills, etc. Some will say, regardless of all this, there is still no excuse for using illegal drugs. And, of course, there isn't. However, how many who drink never violate the driving laws of the state by getting behind the wheel of their automobile? What happened when prohibition became law... our society paid no more attention to the law than the "pot" users do today.

Why bring up all this embarrassing information? Am I advocating no restriction on drug usage? Of course not! I am simply saying don't expect your youngsters to readily understand why some dangerous drugs are illegal and some are not. Why some drugs are used by practically everyone and some are not. Why it is all right to be addicted to some drugs but not to others.

For those who are really serious about waging an all out war against drug abuse this department cordially invites you to be with us in this paper for the next 12 columns of this series. We will discuss FACTS about drugs that will be of vital interest to every parent. We will give up to date statistics on the drug problem as it relates to children and adults, and how you can join in the effort to STAMP OUT DRUG ABUSE in its entirety! Education is the answer and if this column can be instrumental in preventing only ONE child from becoming a drug addict, or even a drug abuser, then our efforts will have been worthwhile.

Join me next week. We'll face some more facts together but we'll all learn something and profit from the discussion.

# Cowboys would like to sneak up on the Owls

Cotulla's Cowboys, smarting from an 0-4 season, have their fingers crossed this week.

They are hoping they can catch the Hondo Owls flat after their hard-fought victory over Devine.

Last week the Cowboys fell 55-8 before a powerful Medina Valley eleven. However, Hondo scouts say the Cowboys did not really play that bad of a game.

"Medina Valley got ahead in the first half and Cotulla was trying to play catch-up," Coach Nelson Bippert said.

The coach pointed out that Cotulla does not like to pass a lot, preferring to stay on the ground with their Houston Veer attack. "But they went to the air against Medina Valley in that last half and the Panthers began picking off the passes," Bippert said.

Owl fans should remember Halfback Juan Gonzales (33).

The 170-pound Cowboy is a real good runner and plays fine defense from his line-backer spot. Last year he kept high in the conference scoring column.

Hector Adame (12) guides the Cowboy attack as the man under and the scouting report shows he does a good job. He likes to keep the ball on the ground, but can pass when he wants to do so. His favorite receiver is Ruben Lopez (10) who switched from quarterback to flanker. He does most of his receiving from the flanker position.

In most of the games this season the Owls have been outweighted. But this one will be different. In fact the Owls and the Cowboys will average out about the same heavy. Cotulla has one boy listed as being at 200 and that is left tackle Alberto Gonzales, a sophomore.

Kebo was right!

At one point in the Hondo-Devine game big Kebo Ligon protested to the officials that a Warhorse had held on to his face mask. But the official disagreed. This picture proves (to us anyway)

that Kebo was right. He is definitely not looking back. That Warhorse has his face mask and as can be seen almost breaks Kebo's neck in the process. (Photo by James Overstreet)

## Owls peck hard

# Hondo wins big one by 21-12

The big maroon and gold machine of the Devine Warhorses found the Hondo Owls with their feathers ruffled for attack Friday night and discovered themselves on the short end of a 21-12 score and pretty well spent from the pecking they absorbed.

A fired-up Owl team, sparkplugged by big, bruising Kebo Ligon on offense and defense, rolled up two touchdowns in the first half and found off the Warhorses the rest of the way to earn the win.

Hondo's final tally was a really a gift from a desperate Devine, for the Warhorses had the ball with their backs to their own goal line late in the game and tried four unsuccessful passes. The ball went over on downs around the 10 and

then an unsportsmanlike penalty gave the Owls the ball on the two-yard line from which they scored.

From the time the Owls received the opening kickoff on their own 20 and began grinding off yardage toward their first score, Hondo fans knew they "had come to play."

Fullback Johnny Abrego blasted over for the first TD, climaxing the 80-yard march. Quarterback Tom Hill kicked the three extra points. Ligon scored one TD and Abrego iced the game with the late, late show.

But it was the action in between these scoring plays that provided the thrills. Like the intercepted pass Devine Fullback Rick McCain took on about his own 40 and scampered down the sidelines for a Warhorse tally.

Then when Devine tried a two-point conversion an Owl defender blasted a QB Paul Jette pass from the hands of a Warhorse receiver.

And that play early in the second quarter when Lonnie Knowles pounced on a Devine fumble at the 16-yard line, Hill then pitched out to Ligon and he sidled right end for the 15-yard blast to six points of gold.

The fourth quarter had some 6:03 left when Devine took a short Hondo punt on the 40 and marched across the double stripes for their second score of the night, with Jette sneaking over for the score.

Again they tried a two-point conversion which would have deadlocked the game

at 14-14. But Ligon said "NO" in a convincing manner as he blasted through the line to spill a much surprised Jette before he could get rid of the ball.

Knowles joined the entire defensive unit in playing a whale of a game as he recovered two fumbles and intercepted one pass.

It certainly was not Hondo all the way, however. For the Warhorses threw up a stout second half defense that held the Owls to only 36 yards in the final two frames.

Turning in outstanding defensive performances were Gordon Wiemers, Joe Schueling, Fred Bader (who was playing linebacker in the place of Mark Buescher who

was hit on the first series of downs and remained out the rest of the game).

The game was the season opener for both District 28-AA teams and left Devine with a 3-1 season record, while the Owls, having lost only to Triple A Uvalde, hold an identical 3-1 record.

Unofficial statistics showed: First Downs--Hondo 13, Devine 11; Yards Rushing--Hondo 143, Devine 133; Yards Passing--Hondo 58, Devine 47; Passes--Hondo 4-11-1, Devine 3-13-1; Punts--Hondo 7-26.4, Devine 4-32.5; Fumbles Lost--Hondo 0, Devine 3; Yards Penalized--Hondo 75, Devine 63.

# Wild Game Dinner scheduled Nov. 20

Hunting season is, hopefully, just behind the next few cold fronts and that means the annual Wild Game Dinner sponsored for hunters by the Chamber of Commerce is not far off.

So, naturally, plans for this, big November 20 event, which attracts somewhere near 1,000 persons, were discussed at the Chamber Board of Directors meeting Monday noon.

"The first big need is for wild game," Manager Harry Filleman told the directors. "We will need venison, dove, and any other wild game that anyone wishes to kill and dress out. And this is a must--IT MUST BE DRESSED. And then it can be taken to Super Sav in Hondo for storage."

President Rene Aelvoet appointed committee chairman to head up the various activities connected with staging a dinner this large.

These included: Wood--Fred Graff; Venison--Bud Woolls; Armadillo--Reno Stanga and Col. Bill Willis; Rabbit--Floyd Ward; Chili--Henry Stiegler. "Others will be appointed later," he said.

In other action, Directors discussed the acceptance of Sen. John Tower as banquet

speaker for December 6, heard the report of the nominating committee for four new directors, and discussed the Santa Claus and Christmas Lighting Program.

Santa Claus will be invited to visit Hondo on the morning of Saturday, December 4, and he will be asked to bring along plenty of candy for the younger children.

The Christmas Lighting Program is co-sponsored each year by the Chamber and the Hondo Garden Club.

## District 28-AA

### Southwest

Unbeaten and once-tied Southwest rolled up 426 yards on the ground on the way to a 56-8 rout of hapless Potete in the opening District 28-AA game for both clubs. The Dragons had eight players in the scoring column as they ran their season record to 3-1.

Medina Valley The Panthers rolled up 35 points in a wild second half and outclassed Cotulla 55-8 in a district opener. Now 3-1 for the season, the powerful Panthers scored almost at will as seven players got into the scoring column.

Carriazo Springs Carriazo slipped up on Pearis 18-13 in a game that had been predicted to go the other way.

### That's a whopper!

And you can say that again about the rattlesnake Walter K. Mumme of D'Hanis killed near his doorstep Monday night. The approximately 5' 11" rattler boasted 14 rattles and a button. He measured some eight inches around in the largest part and Mumme estimated his weight at better than 30 pounds. The Mummes' cat cornered the giant snake and his rattling awoke Mrs. Mumme. Mumme went out with his 10 gauge and said the cat had the rattler hypnotized.

### Clean up Hondo !

A wonderful response from Hondo residents made these youngsters happy Saturday as they manned the recycling stations in downtown Hondo. The house was completely filled with newspapers and magazines, there were two and one-half barrels of glass and one and one-half barrels of flattened cans. Hours for Saturday, October 9, will be 9 a.m. to 1 p.m. Workers will be Junior Garden

Club and South Hondo 4-H Unit 1. Workers pictured include (in no special order) members of the Junior Garden Club and Scouts of Troop 219: Owen and Craig Heath, Robert Rendon, Brian Bader, Johnny Kalinowski, Jerry Velasquez, Chris Cole, Valerie Cole, Douglas Cole, Bonnie Geuea, Rene Sanchez. ### Judge names committee

County Judge Jerome Decker has appointed 36 Medina County residents to a newly-formed citizens' committee to work with the Alamo Area Council of Governments.

Members of the committee will serve as a resource and direct citizens' link to the Executive Committee of AACOG. The make-up of the committee is a cross-section of citizens and local groups providing a representative voice for the county.

The group will be a primary resource for identifying local needs and recommending priorities for future development.

Judge Decker says the committee will meet about once a month, with the meetings to be announced in advance and the public invited.

Committee members include:

NATALIA--Mayor B. C. McDonald, Supt. James F. Barta, Murray Young, G. M. Harrison, Mrs. Lucille Ambler.

LACOSTE--Mayor Franklin Keller, Alvin Santleben, Alderman Paul Christilles, Jr., D. R. Duran.

HONDO--Mayor George L. Brucks, Judge Jerome Decker, T. A. Lopez, Art Forman.

Commissioner Fred Bader, Father George Steubben, Tom Santos, Henry Dominguez, Lupe L. Alvarez, Supt. Kenneth Flory, Tony Mendoza, Ralph Hauger, E. L. Abbott.

D'HANIS--John J. Nester, Vicente Hernandez, Supt. James Kile, Commissioner Charles Langfeld, Bennie Rodriguez, Mrs. Josie Finger.

DEVINE--Mayor S. R. Malone, George Fernandez, Supt. Ralph Rice, Commissioner Ira Barron, Joe Pulido, Benito Cortez.

CASTROVILLE--Mayor Samuel Tschirhart, Supt. Matt Bader, Commissioner Hilmer Mangold, Augustine Raygosa, Francisco Garza.

### We think... Fabacher Brau's in Town

We just don't know. All reports indicate our first batch is selling out. We should have anticipated this. After all, Wolfgang formulated and brewed Fabacher Brau to be a very light, but different beer. The difference is that Fabacher Brau is brewed exclusively with European hops, and that's also the problem—we're running out of hops. (We understand that has some big national breweries chuckling. Well, we never intended to brew enough for the

world. Just for some of our friends in a few cities.) So, if you see some Fabacher Brau around... grab it! And if you don't see any, be patient. Wolfgang's in Europe trying to import more of those hops, but when you're as choosy as Wolfgang that takes time.

The difference is imported  
Brewed by Jackson Brewing Co., New Orleans, La.

## Quail season announced

Quail hunters in Medina County should note that Parks and Wildlife Commission has approved the 1971-72 quail season to be from November 13th through February 15th.

Commission action made it lawful to hunt any wild game bird, wild game animal or furbearer by means of

falconry, but such hunting or taking is limited to persons holding valid permits issued by the Department.

Such hunting or taking shall be during the regular open seasons and shall be subject to the same bag limits as provided for other legal means and methods.

## Loan granted to district

A \$35,000 loan has been granted to Medina County Water Control and Improvement District No. 2 by the Water Development Board.

The loan was made under the new "water quality enhancement" program author-

ized by the last legislature. Medina County WCID No. 2 is located in D'Hanis. The \$35,000 will be used in a \$313,000 program to improve the district's sewage treatment system.

## Cowboys battle to tie with LaVernia

The D'Hanis Cowboys traveled to meet the LaVernia Bears and battled to a 6-6 tie.

The Cowboys started off the scoring in the first quarter as fullback Spencer Burrell plunged over from the three-yard line with 47 second left. This was the result of a 40-yard drive following David Nester's interception of a LaVernia aerial. The try for the extra point failed.

Three minutes into the second quarter, the Bears retaliated with a 60-yard drive, quarterback Mike Ranidin capping it with a four-yard run to paydirt. The try for two points was unsuccessful, leaving

the score a 6-0 tie.

The second half was a scoreless standoff as the Cowboys' fourth quarter scoring threat was killed by penalties.

Saturday night, October 9, the Cowboys will host the Holy Cross B Team in Cowboy Stadium at 8 p.m.

## Permit dates told

Dates for issuing antlerless deer permits to qualified landowners have been set in Medina County, according to August Timmerman.

Permits will be issued October 27-28-29 in the Medina County Courthouse. Qualified landowners who wish to draw antlerless deer permits should arrange to be present or have a qualified representative on hand to receive the permits.

## 'Horns picked over Sooners

The ice has finally been broken. After operating for the past two weeks as a closed corporation "Top Twenty, Inc." has made a couple of changes. Two old members of the board lost their seats and have been replaced by two new faces. Duke jumped into the #13 spot after upsetting Stanford, and twice-beaten Purdue is 18th.

Again this week the teams shuffled for position, a few climbing the national ladder and some dragging their feet just a bit. Stanford and Southern California skidded to 15th and 19th respectively, while Alabama climbed to the #4 spot and Oklahoma moved into 6th. Michigan held the post position again, but there is really almost no daylight between the first four teams.

A couple of barn-burners are on the docket Saturday as members of the Top 20 again meet face to face. In one of the great rivalries in the Southwest - and in what must rate as one of the top games of the year - Texas, rated second, meets Oklahoma. Both teams have rolled over three opponents to come into this game undefeated. To have to pick a winner is really placing one's neck on the

chopping block. However, the Longhorns will win this 66th match-up between the two by five points.

The power struggle on the West Coast comes to a head with the Indians of Stanford being challenged by the Huskies of Washington. Stanford has a power quotient of 105.9... Washington, 105.8. So, since our paper figures seem to be correct about 75% of the time... the Indians will take a long stride toward the Pacific Coast championship and a return to the Rose Bowl by clipping the Huskies by just that point.

Top-ranked Michigan faces intra-state rival Michigan State in a Big Ten Conference game. The Wolverines have been careening roughshod over all opposition, and they aren't about to be sidetracked by the Spartans. Michigan will win by 21 points.

Third-ranked Nebraska and fifth-ranked Notre Dame will continue undefeated. The Cornhuskers will whip Missouri by 28 points in a Big

Eight Conference battle, and the Irish will muscle by tough Miami Friday night by 22.

Also in the Big Eight, the powerful Colorado Buffaloes, #8 in our ratings, run into what can be a tough bunch of

Iowa State Cyclones. Two weeks ago, the Cyclones scrambled a good New Mexico team. However, their best probably won't be good enough... Colorado by 23 points.

Mr. and Mrs. Tex Kriewald  
...they want to go to Switzerland

★ You might classify HEB Manager Tex Kriewald by using several terms, but "driver" is the best right now. He wants to be "put in the 747 seat" to Switzerland, and is asking his employees to push these items that will send him there. He says he appreciates the public's help but wonders if "they might help just a little harder" so he can win the trip.
